***Do you want to be a helper or counselor at DANCE CAMP?***

Dance camp is a four-day, three-night camp for kids ages 4-18 years & old. We are seeking energetic, accountable individuals to help out with our campers. Please read below to see if you meet the requirements to apply to be a helper, Junior or Senior Counselor.

Duties are different for each individual but overall responsibilities are outlined below. To apply you must be at least 11 years old and have attended Leslie school dance camp for at least 3 years. Please note that helper/counselor positions are in direct proportion to camp size.

Helpers (Complete the front of the application.)

- Being a team leader, helping younger campers to and from class to next activity.
- Assisting younger campers with meals. Making sure that all younger campers have everything they need at meal times prior to serving yourself.
- Including all campers. If a new camper is attending, make sure to include them in activities! If this means sitting with them at the dining hall or going across the floor with them in class. Make sure all students are involved!
- Depending on housing you may or may not be in the younger student cabin. No matter your housing you are still responsible to help our younger students get ready for bed, keeping things organized and helping them get ready for classes in the AM.
- Assisting with craft related projects and extra non-dance related activities.

Junior Counselors (Complete the front of the application.)
